"I really recommend studying Spanish at L2L. Through studying the module I have improved my language skills and also expanded my every day knowledge surrounding Spanish speaking countries and their history. The teachers are always available to offer support to students and make the classes fun and engaging to really encourage learning. Learning Spanish at L2L will be a fun experience!" **P.N Waterford**

"I couldn't recommend doing the Spanish course in L2L more. At L2L you're not left to your own devices when studying, any questions you have the teachers are more than happy to answer. They really want you to succeed and reach your full potential. The course is so comprehensive and really focuses on improving all aspects of your Spanish from written to spoken to application in the real world. Projects such as the tandem partnership are amazing and really innovative. The classes are small but everyone becomes friends and your Spanish really benefits from this. **J.V.E Barcelona (Spain).**
